

# WALTER JUNGER & FRIENDS

dedicated to quality and service

Dear ladies and gentlemen,

After a summer with record temperatures and a rather long trip to Asia it is very interesting to see how nice weather and the Football World Championship have a positive influence on economy. This not only in Germany, but all over the world. I had several conversations with business partners and friends and the area of Quality Management, especially in hospitality and the automotive industry, shows an upwards trend. This we want to mirror in our Quality Academy seminars; more in this newsletter.

I am looking forward to your visit: [http://www.walterjungerandfriends.com/!](http://www.walterjungerandfriends.com/)

Warmest regards,

Walter
